1. SGPA

1.1 Improvements

1.1.1 Online Command

Online command descriptions have been updated to make names more intuitive.

Go to Top Shortcut Menu > Online Command

1.1.2 Records – Implement Measures

Improvement applied to records to define if the Implement will generate worked area. A flag has been added that allows setting Yes/No: when set to YES, the field "Total Spacing" will be displayed to enter information and when set to NO, the field will not be displayed, and the spacing will be reset.
